To our valued parents,

While there have been some dramatic changes in the world around us, especially in lifestyle and quality time with family, we at The FurKids Club have continued to provide quality and specialized care with enriching playtime to your precious furry family members. In order to maintain this high level of service as well as provide a livable wage to our well trained, dedicated, and loving staff, The FurKids Club will be raising rates effective November 5th, 2021. We truly appreciate your understanding and continued support.

Our daycare and boarding services are provided by skilled and attentive staff members trained to properly handle each dog with their individual needs and recognize canine body language and behavior. Amongst other benefits of partnering with TFKC your dog's care takers are trained in Animal First Aid and Dog CPR practices to ensure the safety of your Fur Kid in case of emergency. A safe and happy place to play is our top priority! Our enrichment based PlayCare offers small groups of dedicated supervised playtime. Coming soon - NEW enrichment activities!

➤ *No worries! **With around the clock care**, you can relax knowing **your dogs are never left unattended!** You won't have to lose sleep worrying about your precious family member being left unsupervised or alone, or wonder who would care for them if an emergency happened. Our 24-hour onsite staff continues care through the night and will sit and cuddle to reduce any anxiety and help ensure your precious family members are getting a good nights sleep.*

***Dates based on availability**, see Gingr Parent Portal for available dates. Currently offering Thursday through Sunday nights for non peak/non-holiday times. For Holiday/Peak times: Monday before to the Monday after major holidays. Check facility calendar for full availability.

IMPORTANT NOTE: We are a club membership facility and limit our services to dogs who pass a playgroup evaluation and continually display positive group play social skills. In order to maintain this environment, dogs are required to attend a minimum of 2 days of daycare (full or mini play-date) per month. Regular attending daycare

dogs will have priority for boarding reservations. Any dog not attending any service for 3 months or more will be required a new evaluation. This is for the safety, health, and positive interaction of play groups.

PARENTS: If you made reservations for the upcoming holidays PRIOR to 10/21/2021, they will be at the base/standard daycare and boarding prices of \$25 and \$34. Multi-dog discounts for that pricing base have been discontinued. If you purchased a package prior to 10/21/21, it remains valid as purchased and covers the daycare visits as sold.

WE RESERVE THE RIGHT TO ALTER PRICES, POLICIES, SERVICES WITHOUT NOTICE.
